Re: Registrar Certifications, Recertifications and Canvassing

Dear Mayor Danielle Wong,

Under the Freedom of Information Act (FOIA), we are requesting the following information:

1. A copy of both Registrar of Voters Certification certificates and/or proof of annual training certificates if they were certified more than a year ago.
2. A copy of the Form ED-632, which certifies that the canvassing required by CT State Statute has been completed.

We had originally asked the Secretary of the State to provide the Certification information back on July 9, 2024. We received a partial list on August 8, 2024. Additional information requested has not been sent to us. After being sent the incomplete list, we have found that the information provided was inaccurate. Hence, we are requesting under FOIA, that you provide us with the information requested.

Included with this letter is **Exhibit A** (CT State Statute Sec. 9-192a regarding certification of Registrars of Voters for CT) taken directly from the CT State Statutes and **Exhibit B** from the Office of Legislative Research authored by Kristin Sullivan regarding the legal requirements for the Form ED-632 the certification the canvassing required by CT State Statute was indeed completed.

If both the Registrars of Voters are not certified after two years and not recertified every year thereafter, they are not qualified to run elections according to CT State Statutes. This is a very serious situation.

We look forward to your prompt attention to our request.

Respectfully,

Hey Jennifer,

I see that you have completed the quiz for section 1.

The entire ROV program consists of 8 sections and the certification exam, given that the program closes in the next 5 days, I would say you should wait until the program reopens on Dec 1st to complete the certification!

Let me know if you have any other questions !

In response to your requests which were submitted to Bloomfield's Mayor, please understand that our Mayor in Bloomfield is not responsible for the Registrars of Voters. As you may be aware, each town in the state of Connecticut is unique with how their local government is organized. As you already know, the Registrars in Bloomfield has been (and will continue to be) responsive to your requests. I have also included the Secretary Of State's office in this correspondence, so that we can assure that all bases are covered for you.

Dear Mayor – As you are responsible for the town employees, I am sure you can get the information from your Registrar of Voters. I do not believe the Town Clerk is responsible for the certifications of the Registrar of Voters. Also the ED-632 is a signed legal document under penalty of law that has to be completed by the Registrars and sent to the Secretary of the State.
