First Selectman Steven Dunn

100 Pocono Road

Brookfield, CT 06804

Re: Registrar Certifications, Recertifications and Canvassing

Dear First Selectman Steven Dunn,

Under the Freedom of Information Act (FOIA), we are requesting the following information:

1. A copy of both Registrar of Voters Certification certificates and/or proof of annual training certificates if they were certified more than a year ago.
2. A copy of the Form ED-632, which certifies that the canvassing required by CT State Statute has been completed.

We had originally asked the Secretary of the State to provide the Certification information back on July 9, 2024. We received a partial list on August 8, 2024. Additional information requested has not been sent to us. After being sent the incomplete list, we have found that the information provided was inaccurate. Hence, we are requesting under FOIA, that you provide us with the information requested.

Included with this letter is **Exhibit A** (CT State Statute Sec. 9-192a regarding certification of Registrars of Voters for CT) taken directly from the CT State Statutes and **Exhibit B** from the Office of Legislative Research authored by Kristin Sullivan regarding the legal requirements for the Form ED-632 the certification the canvassing required by CT State Statute was indeed completed.

If both the Registrars of Voters are not certified after two years and not recertified every year thereafter, they are not qualified to run elections according to CT State Statutes. This is a very serious situation.

We look forward to your prompt attention to our request.

Respectfully,

A handwritten signature in blue ink that reads "Linda Szykowicz".

Dotti – I need the actual signed document stated in the CT state Statute that needs to be signed, by both Registrars. If you don't have this one, send the 2023 signed ED-632. Showing a copy of the people canvassed is not the actual document requested and needing a signature.

We are dealing with 169 towns and collecting the information in a comprehensive manner and will have an excel spreadsheet showing which Registrars in CT are compliant with our state statutes in regard to certification, education hours and the ED-632 which is mandatory under state statute to be done between Jan 1st and May 1st 2024. It is not due to the SOTS until Dec. 5th, 2024, but since the canvassing was already done months ago, it would only need the signatures of both Registrars.

We will be making this information public and want to be accurate with all the towns. Hard evidence, documentation is what we have requested under FOIA.

Thanks.
Linda

Linda,

It is correct that Dorothy Dori has nominated ROV credits for this year 2024. I did not attend the ROVAC conference in the spring. Since I am retiring after the election my deputy will be attending the Fall Conference.

Lnda,

Please find attached the following documents in reply to your FOIA request

1. Canvass Completi9on Form

Cathy Iannone's ROV credits are also up to date. She will be attending the Fall Conference and will be starting her certification classes shortly.

Unfortunately I cannot find a copy of ED632 filed for this year 2024. What I sent you is proof that we did complete the canvass as required by law.

So, Dorothy Dori doesn't have any education hours for 2024? And Catherine Iannone doesn't have any since 2022?

Also, please send their Certification Certificates, as well.

We are putting together a comprehensive spreadsheet of all the Registrars in CT and their compliance to State Statute. Please forward the requested information so we can be accurate.
