Re: Registrar Certifications, Recertifications and Canvassing

Dear First Selectman Austin Tanner,

Under the Freedom of Information Act (FOIA), we are requesting the following information:

1. A copy of both Registrar of Voters Certification certificates and/or proof of annual training certificates if they were certified more than a year ago.
2. A copy of the Form ED-632, which certifies that the canvassing required by CT State Statute has been completed.

We had originally asked the Secretary of the State to provide the Certification information back on July 9, 2024. We received a partial list on August 8, 2024. Additional information requested has not been sent to us. After being sent the incomplete list, we have found that the information provided was inaccurate. Hence, we are requesting under FOIA, that you provide us with the information requested.

Included with this letter is **Exhibit A** (CT State Statute Sec. 9-192a regarding certification of Registrars of Voters for CT) taken directly from the CT State Statutes and **Exhibit B** from the Office of Legislative Research authored by Kristin Sullivan regarding the legal requirements for the Form ED-632 the certification the canvassing required by CT State Statute was indeed completed.

If both the Registrars of Voters are not certified after two years and not recertified every year thereafter, they are not qualified to run elections according to CT State Statutes. This is a very serious situation.

We look forward to your prompt attention to our request.

Respectfully,

Hi Linda;

I read your report today and I am mentioned as not being compliant with sending my ROV Certification. I sent it to you at the bottom of the email I sent on 9/3/24. I don't know why it doesn't show as an attachment but scroll down to the bottom and click on it there.

Hi Linda;

I have attached a copy of my ROV Certification that I acquired in 2019. In addition I have gone to the ROVAC conference in Fall of '23, Spring '24 and will go to the Fall '24. I have attached a copy of my earned credits. My counterpart, Rick Ives is new to this office and he is taking his first course now.

As far as the ED-632, to be honest, I am not sure if my counterpart sent it in or not. I have not gotten an email to remind us to send it in so I suspect he probably did. I don't have access to it since he is not in the office. I will CC him on this email and get back to you on that. I did the canvass myself and we did it by mailing using ROAST/ERIC/Mailings.

In any event, I wanted to get this certificate to you and will send the other as soon as I get the information on it.
