Re: Registrar Certifications, Recertifications and Canvassing

Dear First Selectman Juan Roman III,

Under the Freedom of Information Act (FOIA), we are requesting the following information:

1. A copy of both Registrar of Voters Certification certificates and/or proof of annual training certificates if they were certified more than a year ago.
2. A copy of the Form ED-632, which certifies that the canvassing required by CT State Statute has been completed.

We had originally asked the Secretary of the State to provide the Certification information back on July 9, 2024. We received a partial list on August 8, 2024. Additional information requested has not been sent to us. After being sent the incomplete list, we have found that the information provided was inaccurate. Hence, we are requesting under FOIA, that you provide us with the information requested.

Included with this letter is **Exhibit A** (CT State Statute Sec. 9-192a regarding certification of Registrars of Voters for CT) taken directly from the CT State Statutes and **Exhibit B** from the Office of Legislative Research authored by Kristin Sullivan regarding the legal requirements for the Form ED-632 the certification the canvassing required by CT State Statute was indeed completed.

If both the Registrars of Voters are not certified after two years and not recertified every year thereafter, they are not qualified to run elections according to CT State Statutes. This is a very serious situation.

We look forward to your prompt attention to our request.

Respectfully,

Linda,

This is a response to your FOIA request sent to the First Selectman of Chaplin on August 26, 2024, that was subsequently forwarded to me.

In response to question #1, no such document is available for the Democratic Registrar of Voters, since I am not certified. State statute mandates that I have up to 2 years to acquire such certification.

In response to question #2, attached is a copy of form ED-632.

Cordially,

A handwritten signature in black ink, appearing to read "Christopher Komuves". The signature is fluid and cursive, with the first name "Chris" and last name "Komuves" clearly visible.

Thank you for what you sent.

1. Could you please send me the information on the other Registrar of Voters? Certification and education hours?
2. The Canvassing should have been completed by April 30, 2024 per CT State Statute. I don't understand how it could be still going on. Could you please sign, date and forward the 2024 ED-632.

Greatly appreciated. Since the Secretary of the State of CT does not have an accurate list, we are putting together a comprehensive document on all the CT Registrars which includes their certification including date, education hours and their 2024 ED-632 and the compliance with CT state Statutes.

Thank you.
