Re: Registrar Certifications, Recertifications and Canvassing

Dear First Selectman Brendan Rae,

Under the Freedom of Information Act (FOIA), we are requesting the following information:

1. A copy of both Registrar of Voters Certification certificates and/or proof of annual training certificates if they were certified more than a year ago.
2. A copy of the Form ED-632, which certifies that the canvassing required by CT State Statute has been completed.

We had originally asked the Secretary of the State to provide the Certification information back on July 9, 2024. We received a partial list on August 8, 2024. Additional information requested has not been sent to us. After being sent the incomplete list, we have found that the information provided was inaccurate. Hence, we are requesting under FOIA, that you provide us with the information requested.

Included with this letter is **Exhibit A** (CT State Statute Sec. 9-192a regarding certification of Registrars of Voters for CT) taken directly from the CT State Statutes and **Exhibit B** from the Office of Legislative Research authored by Kristin Sullivan regarding the legal requirements for the Form ED-632 the certification the canvassing required by CT State Statute was indeed completed.

If both the Registrars of Voters are not certified after two years and not recertified every year thereafter, they are not qualified to run elections according to CT State Statutes. This is a very serious situation.

We look forward to your prompt attention to our request.

Respectfully,

A handwritten signature in blue ink that reads "Linda Szykowitz".

Thank you for your response. No problem, We will put zero hours/refused for 2024 on our master sheet.

We are putting together a comprehensive document on all 169 town Registrars – 338 Registrars in CT and their compliance with CT State Statutes for – Certification, education hours and ED-632. This document will be made **public** and we want to have all accurate information. Unfortunately, the SOTS doesn't even have the accurate information, so we are unable to rely on them.

Thank you for the documentation sent and your understanding on how difficult it is to get 169 towns and their proper information.

Hello Linda,

This report is not something the Registrar's Office has on file and is therefore not subject to FOI for their department. I confirmed with the CT State FOIA department and received confirmation that this information should be requested directly from ROVAC.

Thank you. Could you please send along their education hours under ROVAC? Even though they just got certified, the SOTS says they were hired in 12/2020 & 3/2022. They should have hours of education accumulated. They can just go to ROVAC, sign in and download their accredited hours. If they have trouble getting the information, please reach out to Peter and/or Lucian at the New Britain Registrars office and they can assist. Thank you.
