East Granby, CT 06026  
Re: Registrar Certifications, Recertifications and Canvassing

Dear First Selectman Eden Wimpfheimer,

Under the Freedom of Information Act (FOIA), we are requesting the following information:

1. A copy of both Registrar of Voters Certification certificates and/or proof of annual training certificates if they were certified more than a year ago.
2. A copy of the Form ED-632, which certifies that the canvassing required by CT State Statute has been completed.

We had originally asked the Secretary of the State to provide the Certification information back on July 9, 2024. We received a partial list on August 8, 2024. Additional information requested has not been sent to us. After being sent the incomplete list, we have found that the information provided was inaccurate. Hence, we are requesting under FOIA, that you provide us with the information requested.

Included with this letter is **Exhibit A** (CT State Statute Sec. 9-192a regarding certification of Registrars of Voters for CT) taken directly from the CT State Statutes and **Exhibit B** from the Office of Legislative Research authored by Kristin Sullivan regarding the legal requirements for the Form ED-632 the certification the canvassing required by CT State Statute was indeed completed.

If both the Registrars of Voters are not certified after two years and not recertified every year thereafter, they are not qualified to run elections according to CT State Statutes. This is a very serious situation.

We look forward to your prompt attention to our request.

Respectfully,

Linda,

As stated in the previous email the Ed -632 will be sent shortly. The canvass was completed and the info will be provided- continued emails will not speed this up. Our office is staffed 4 hours a week and we will get to this as soon as we can.

Registrars have 2 years to certify - our current registrar started this year and has no certification or hours to send you as they are not required or completed at this time.

Feel free to call the office Tuesdays from 9-1 for any further clarification.

We are really trying to gather all the information for 169 towns and it has been like herding cats, even under FOIA.

So, we are still missing the ED-632 signed and dated by both Registrars for 2024.

We have no education hours for one registrar. We do have Michele Marin's info. What is the other Registrar's name? You said she was hired in April. April 2024? April 2023? April 2022? Please be precise. Please also provide education hours. Thank you.

We are putting together a comprehensive document on all 169 town Registrars – 338 Registrars in CT and their compliance with CT State Statutes for – Certification, education hours and ED-632.

This document will be made public and we want to have all accurate information. Unfortunately, the SOTS doesn't even have the accurate information, so we are unable to rely on them.

Your prompt attention will make this much easier. Thank you for complying with our FOIA.

We are really trying to gather all the information for 169 towns and it has been like herding cats, even under FOIA.

So, we are still missing the ED-632 signed and dated by both Registrars for 2024.

We have no education hours for one registrar. We do have Michele Marin's info. What is the other Registrar's name? You said she was hired in April. April 2024? April 2023? April 2022? Please be precise. Please also provide education hours. Thank you.

We are putting together a comprehensive document on all 169 town Registrars – 338 Registrars in CT and their compliance with CT State Statutes for – Certification, education hours and ED-632. This document will be made public and we want to have all accurate information. Unfortunately, the SOTS doesn't even have the accurate information, so we are unable to rely on them.

Your prompt attention will make this much easier. Thank you for complying with our FOIA.

Dear First Selectman Eden Wimpfheimer,

Please find attached the letter we mailed to you last week. Our request is simple. Under the Freedom of Information Act (FOIA), we are requesting the following information:

1. A copy of both Registrar of Voters Certification certificates and/or proof of annual training certificates if they were certified more than a year ago.
