Re: Registrar Certifications, Recertifications and Canvassing

Dear First Selectman Tina Falck,

Under the Freedom of Information Act (FOIA), we are requesting the following information:

1. A copy of both Registrar of Voters Certification certificates and/or proof of annual training certificates if they were certified more than a year ago.
2. A copy of the Form ED-632, which certifies that the canvassing required by CT State Statute has been completed.

We had originally asked the Secretary of the State to provide the Certification information back on July 9, 2024. We received a partial list on August 8, 2024. Additional information requested has not been sent to us. After being sent the incomplete list, we have found that the information provided was inaccurate. Hence, we are requesting under FOIA, that you provide us with the information requested.

Included with this letter is **Exhibit A** (CT State Statute Sec. 9-192a regarding certification of Registrars of Voters for CT) taken directly from the CT State Statutes and **Exhibit B** from the Office of Legislative Research authored by Kristin Sullivan regarding the legal requirements for the Form ED-632 the certification the canvassing required by CT State Statute was indeed completed.

If both the Registrars of Voters are not certified after two years and not recertified every year thereafter, they are not qualified to run elections according to CT State Statutes. This is a very serious situation.

We look forward to your prompt attention to our request.

Respectfully,

A handwritten signature in blue ink that reads "Linda Szykowitz".

Ms. Szynkowicz,

I apologize for the delay in responding, but I am glad to provide the information you requested for the items that pertain to me and Ms. Martin will do the same.

I am enrolled in the prescribed Registrar Classes but am not yet certified. The courses are offered through the University of Connecticut and, although began my course work after my official appointment, there were delays on the part of the university due to the COVID-19 pandemic and then further delayed due to coursework changes and reconfigurations. As for your request for a listing of recertification hours, I am not yet certified and do not have a Recertification log to provide.

If you have any additional questions for me, please do not hesitate to reach back out to the Selectman's Office and I would be glad to assist further.
