Re: Registrar Certifications, Recertifications and Canvassing

Dear First Selectman Robert C. Yamartino,

Under the Freedom of Information Act (FOIA), we are requesting the following information:

1. A copy of both Registrar of Voters Certification certificates and/or proof of annual training certificates if they were certified more than a year ago.
2. A copy of the Form ED-632, which certifies that the canvassing required by CT State Statute has been completed.

We had originally asked the Secretary of the State to provide the Certification information back on July 9, 2024. We received a partial list on August 8, 2024. Additional information requested has not been sent to us. After being sent the incomplete list, we have found that the information provided was inaccurate. Hence, we are requesting under FOIA, that you provide us with the information requested.

Included with this letter is **Exhibit A** (CT State Statute Sec. 9-192a regarding certification of Registrars of Voters for CT) taken directly from the CT State Statutes and **Exhibit B** from the Office of Legislative Research authored by Kristin Sullivan regarding the legal requirements for the Form ED-632 the certification the canvassing required by CT State Statute was indeed completed.

If both the Registrars of Voters are not certified after two years and not recertified every year thereafter, they are not qualified to run elections according to CT State Statutes. This is a very serious situation.

We look forward to your prompt attention to our request.

Respectfully,

A handwritten signature in blue ink that reads "Linda Szykowitz".

Hi Linda,

I forwarded your requested letter to our ROV's as the town does not maintain personnel files on elected officials. I have copied them on this email as well.

I will defer to them to answer the FOI request.

I do believe both Registrars are less than 2 years in service and have been taking the certification courses.

Bob
