Thank you for Kerri Rowland's documentation. It shows that there are no hours for 2024, is that correct?

Also, we need the other registrar of voter's information, as well.

Thank you again. We are putting together a comprehensive document on all the Registrar's Certifications, recertifications and the ED 632 to make sure everyone is following state statute. Once we receive everything from all 169 towns, we will make this document public.

Thank you for your assistance.

70 West River Street  
Milford, CT 06460

Re: Registrar Certifications, Recertifications and Canvassing

Dear Mayor Anthony Giannattasio,

Under the Freedom of Information Act (FOIA), we are requesting the following information:

1. A copy of both Registrar of Voters Certification certificates and/or proof of annual training certificates if they were certified more than a year ago.
2. A copy of the Form ED-632, which certifies that the canvassing required by CT State Statute has been completed.

We had originally asked the Secretary of the State to provide the Certification information back on July 9, 2024. We received a partial list on August 8, 2024. Additional information requested has not been sent to us. After being sent the incomplete list, we have found that the information provided was inaccurate. Hence, we are requesting under FOIA, that you provide us with the information requested.

Included with this letter is **Exhibit A** (CT State Statute Sec. 9-192a regarding certification of Registrars of Voters for CT) taken directly from the CT State Statutes and **Exhibit B** from the Office of Legislative Research authored by Kristin Sullivan regarding the legal requirements for the Form ED-632 the certification the canvassing required by CT State Statute was indeed completed.

If both the Registrars of Voters are not certified after two years and not recertified every year thereafter, they are not qualified to run elections according to CT State Statutes. This is a very serious situation.

We look forward to your prompt attention to our request.

Respectfully,

Thank you.

PS - We are putting together a comprehensive document on all 169 town Registrars – 338 Registrars in CT and their compliance with CT State Statutes for – Certification, education hours and ED-632. This document will be made public and we want to have all accurate information. Unfortunately, the SOTS doesn't even have the accurate information, so we are unable to rely on them.

Also, we need the other registrar of voter's information, as well.

Thank you again. We are putting together a comprehensive document on all the Registrar's Certifications, recertifications and the ED 632 to make sure everyone is following state statute. Once we receive everything from all 169 towns, we will make this document public.

Thank you for your assistance.

This is just a follow-up on the requestion certification hours for both Registrars for 2024. The documentation we received indicates that the 2024 hours do not exist. We want to be accurate with our comprehensive documentation of all Registrars in CT that we will be making public.

Please go to ROVAC, sign in and download the most recent education hours.

Thanks.

Linda

We are at the conference right now for two full days, so no that's not correct, and we have taken multiple online trainings, run two Primary Elections in 2024, which I call on the job training, and we have also attended every SOTS call offered this year, as we have gotten all the information we could get for implementing Early voting.

Respectfully,

Kerri
