First Selectman Dionna Carlson

Re: Registrar Certifications, Recertifications and Canvassing

Dear First Selectman Dionna Carlson,

Under the Freedom of Information Act (FOIA), we are requesting the following information:

1. A copy of both Registrar of Voters Certification certificates and/or proof of annual training certificates if they were certified more than a year ago.
2. A copy of the Form ED-632, which certifies that the canvassing required by CT State Statute has been completed.

We had originally asked the Secretary of the State to provide the Certification information back on July 9, 2024. We received a partial list on August 8, 2024. Additional information requested has not been sent to us. After being sent the incomplete list, we have found that the information provided was inaccurate. Hence, we are requesting under FOIA, that you provide us with the information requested.

Included with this letter is **Exhibit A** (CT State Statute Sec. 9-192a regarding certification of Registrars of Voters for CT) taken directly from the CT State Statutes and **Exhibit B** from the Office of Legislative Research authored by Kristin Sullivan regarding the legal requirements for the Form ED-632 the certification the canvassing required by CT State Statute was indeed completed.

If both the Registrars of Voters are not certified after two years and not recertified every year thereafter, they are not qualified to run elections according to CT State Statutes. This is a very serious situation.

We look forward to your prompt attention to our request.

Respectfully,

Mimi,

In response to this reminder, I am once again attaching an email from UConn issued on 6/15/18 indicating that I had passed the Certification test for Registrars. Unfortunately the actual certificate has gone missing or was never received. This email should satisfy the intent of the inquiry.

I am also attaching a report from ROVAC regarding my Registrar Continuing Education credits.

Many Thanks,

John A. Amarilios

You only sent one certificate for one registrar. The Education recertification are credits every year thereafter that is mandatory to retain certification. IT is easy to find. They both just need to log onto the ROVAC system and print it out.

We do understand it is busy, but we also want to make sure the Registrars in CT are all certified to actually run elections. It appears that there are a number that are not.

Thank you for your attention to this.

Please clarify which Registrar Certificate you are requesting. Also understand that heading into election season, the Registrar's office is very busy and will work on a "prompt" response as required under FOIA.
