Re: Registrar Certifications, Recertifications and Canvassing

Dear First Selectman Melissa Lindsey,

Under the Freedom of Information Act (FOIA), we are requesting the following information:

1. A copy of both Registrar of Voters Certification certificates and/or proof of annual training certificates if they were certified more than a year ago.
2. A copy of the Form ED-632, which certifies that the canvassing required by CT State Statute has been completed.

We had originally asked the Secretary of the State to provide the Certification information back on July 9, 2024. We received a partial list on August 8, 2024. Additional information requested has not been sent to us. After being sent the incomplete list, we have found that the information provided was inaccurate. Hence, we are requesting under FOIA, that you provide us with the information requested.

Included with this letter is **Exhibit A** (CT State Statute Sec. 9-192a regarding certification of Registrars of Voters for CT) taken directly from the CT State Statutes and **Exhibit B** from the Office of Legislative Research authored by Kristin Sullivan regarding the legal requirements for the Form ED-632 the certification the canvassing required by CT State Statute was indeed completed.

If both the Registrars of Voters are not certified after two years and not recertified every year thereafter, they are not qualified to run elections according to CT State Statutes. This is a very serious situation.

We look forward to your prompt attention to our request.

Respectfully,

A handwritten signature in blue ink, appearing to read "Linda Szykowicz".

Good morning, Linda,

I have attached the ED-632 for the New Fairfield Registrars.

Elisa Beckett-Flores' Certification was already provided as well as her enrollment in the UCONN program. A screenshot of her ROVAC was also provided and as she is currently enrolled, there is no other documentation. The solid blue sheet is for Elisa.

The Registrars are elected officials, they are not hired.

These are the only documents available.

Kind regards,

Jean Green

Thank you but we are still missing requested documentation.

We need the signed and dated ED-632 canvassing for 2024 – not the 2023 ERIC document. These are two different documents.

We are missing Elisa Beckett's Certification and education hours. You can go to ROVAC, sign in and download the information. When was Elisa hired?

We received a solid blue sheet with no name on it and no 2024 hours. Please send the appropriate information.

We can not legally use the printed Logs that were created for each Registrar. We need to have this information for the public document on all the CT Registrars and in the same format from ROVAC.

Thank you.

Jean – Thank you for the information you sent, but it is incomplete. We do need the accreditation hours that go along with the certifications. Registrars have to recertify every year after their initial certification. The info will give a breakdown of the hours they have received for training classes, ROVAC meetings, etc. Thank you greatly appreciated.
