Re: Registrar Certifications, Recertifications and Canvassing

Dear First Selectman Carl P. Fortuna, Jr.,

Under the Freedom of Information Act (FOIA), we are requesting the following information:

1. A copy of both Registrar of Voters Certification certificates and/or proof of annual training certificates if they were certified more than a year ago.
2. A copy of the Form ED-632, which certifies that the canvassing required by CT State Statute has been completed.

We had originally asked the Secretary of the State to provide the Certification information back on July 9, 2024. We received a partial list on August 8, 2024. Additional information requested has not been sent to us. After being sent the incomplete list, we have found that the information provided was inaccurate. Hence, we are requesting under FOIA, that you provide us with the information requested.

Included with this letter is **Exhibit A** (CT State Statute Sec. 9-192a regarding certification of Registrars of Voters for CT) taken directly from the CT State Statutes and **Exhibit B** from the Office of Legislative Research authored by Kristin Sullivan regarding the legal requirements for the Form ED-632 the certification the canvassing required by CT State Statute was indeed completed.

If both the Registrars of Voters are not certified after two years and not recertified every year thereafter, they are not qualified to run elections according to CT State Statutes. This is a very serious situation.

We look forward to your prompt attention to our request.

Respectfully,

A handwritten signature in blue ink, appearing to read "Linda Szykowitz".

Subject: RE: Certification

Carl - In going through the documents, we are missing the recertification hours for both Registrars. They need to sign into ROVAC and download the information. We were only sent the 2019 hours with no idea whom they belong to.

Each registrar must have education hours every year to maintain their accreditation. If they are unfamiliar with how to print all the hours through 2024, please have them contact the New Britain Registrars of Voters (Peter & Lucian) and they can walk them through the simple process.

We are compiling a public document on all the Registrar of Voters in CT and their compliance with CT State Statutes, so this information is critical. Certification, education hours and ED-632.

Thank you.
Linda

Carl – We need the documentation for the canvassing for 2024 signed, the certification form for the other registrar and please reach out to ROVAC and have them show how to download the hours of recertification since 2019. We've received scores of the data from other Registrars across the state that have been able to provide all the requested information. Please reach out to New Britain Registrars and I am sure they would be happy to walk you through the steps.

Thank you.

Subject: FOIA Request Certification Cont. ed

Hello Carl,

I am attaching a copy of my Certificate for the Registrar of Voters Certification Program dated Jan 29, 2019. I am also attaching what was available from the ROVAC site regarding my 6 hours for continuing education classes and also Joan Broadhurst's 9 hours of continuing education. Unfortunately, the print out does not put our names onto the document when printing it out online.

There have been discussions on Rovac Facebook page whether or not our COG Registrar meetings are considered continuing ed. We also are required to take the Moderator training. We have normally hosted a summer meeting at the Pavilion. There have also been numerous zoom meetings to teach us about Early Voting and other changes that may be coming to elections.

I am attending the 2024 convention on September 17th with Aileen Sterling & Deborah DeCristoforo who will both be doing the New Registrars class to help with understanding procedures for the upcoming 2024 EV and election.
