Re: Registrar Certifications, Recertifications and Canvassing

Dear City/Town Attorney ,

Under the Freedom of Information Act (FOIA), we are requesting the following information:

1. A copy of both Registrar of Voters Certification certificates and/or proof of annual training certificates if they were certified more than a year ago.
2. A copy of the Form ED-632, which certifies that the canvassing required by CT State Statute has been completed.

We had originally asked the Secretary of the State to provide the Certification information back on July 9, 2024. We received a partial list on August 8, 2024. Additional information requested has not been sent to us. After being sent the incomplete list, we have found that the information provided was inaccurate. Hence, we are requesting under FOIA, that you provide us with the information requested.

Included with this letter is **Exhibit A** (CT State Statute Sec. 9-192a regarding certification of Registrars of Voters for CT) taken directly from the CT State Statutes and **Exhibit B** from the Office of Legislative Research authored by Kristin Sullivan regarding the legal requirements for the Form ED-632 the certification the canvassing required by CT State Statute was indeed completed.

If both the Registrars of Voters are not certified after two years and not recertified every year thereafter, they are not qualified to run elections according to CT State Statutes. This is a very serious situation.

We look forward to your prompt attention to our request.

Respectfully,

Lisa - In reviewing the documents sent, we found that the ERIC document was sent instead of the ED-632. Please forward the signed and dated ED-632 for 2024. These are two different documents.

The education hours can be easily found on the ROVAC website. They just need to sign in and download them. The New Britain Registrars of Voters, Peter and Lucian, can easily show them out to complete the easy task.

We are compiling a comprehensive document on all the Registrars of Voters in CT and their compliance with State Statutes in regard to Certification, education hours and the ED-632.

Please forward the requested information, so we can be accurate instead of saying no hours for the Plainville registrars.

Thank you,  
Linda
