Re: Registrar Certifications, Recertifications and Canvassing

Dear First Selectperson Rudolph P. Marconi,

Under the Freedom of Information Act (FOIA), we are requesting the following information:

1. A copy of both Registrar of Voters Certification certificates and/or proof of annual training certificates if they were certified more than a year ago.
2. A copy of the Form ED-632, which certifies that the canvassing required by CT State Statute has been completed.

We had originally asked the Secretary of the State to provide the Certification information back on July 9, 2024. We received a partial list on August 8, 2024. Additional information requested has not been sent to us. After being sent the incomplete list, we have found that the information provided was inaccurate. Hence, we are requesting under FOIA, that you provide us with the information requested.

Included with this letter is **Exhibit A** (CT State Statute Sec. 9-192a regarding certification of Registrars of Voters for CT) taken directly from the CT State Statutes and **Exhibit B** from the Office of Legislative Research authored by Kristin Sullivan regarding the legal requirements for the Form ED-632 the certification the canvassing required by CT State Statute was indeed completed.

If both the Registrars of Voters are not certified after two years and not recertified every year thereafter, they are not qualified to run elections according to CT State Statutes. This is a very serious situation.

We look forward to your prompt attention to our request.

Respectfully,

Wayne – Cindy should have some education hours for 2024; it's not just the conferences from ROVAC that they need to attend unless she was just hired in the past few months. When was she hired?

Also, please send the ED-632 from 2023. The 2024 should have already been completed between January 1st and May of 2024. It would just need to be signed by both registrars. (We know it's not due until Dec. 5th but 90% of the Registrars in CT have been able to send along the signed ED-632.)

We are putting together a comprehensive certification, education hours and compliance with the ED – 632 required by state statute for every Registrar in CT in every town in CT. We plan on putting it out publicly in the next few weeks and wanted to make sure we gave each town the opportunity to provide us with the requested information under FOIA.

Dear First Selectman Rudolph Marconi,

Please find attached the letter we mailed to you last week. Our request is simple. Under the Freedom of Information Act (FOIA), we are requesting the following information:

1. A copy of both Registrar of Voters Certification certificates and/or proof of annual training certificates if they were certified more than a year ago.
2. A copy of the Form ED-632, which certifies that the canvassing required by CT State Statute has been completed.

Thank you for your prompt response to our request.

Respectfully,
Linda Szynkowicz
