Jim - We need verification of the legal document for the ED-632 for 2024. The registrars must have retained a copy of the canvassing ED-632 document because it is required by CT State Statute that it be completed every year and signed and dated by both registrars. It is also a felony to fill it out incorrectly. Please ask them again for a copy.

When was Jim Crawford appointed - Month & Year?

We are currently putting together a comprehensive public document on all the Registrars in the 169 towns in CT that include the date they were certified, the educational hours and the ED-632. We want to be accurate on all the data.

Thank you.  
Linda
