Westport Registrar of Voters

110 Myrtle Ave.

Westport, CT 06880

Re: Registrar Certifications, Recertifications and Canvassing

Dear Registrar of Voters,

Under the Freedom of Information Act (FOIA), we are requesting the following information:

1. A copy of both Registrar of Voters Certification certificates and/or proof of annual training certificates if they were certified more than a year ago.
2. A copy of the Form ED-632, which certifies that the canvassing required by CT State Statute has been completed.

We had originally asked the Secretary of the State to provide the Certification information back on July 9, 2024. We received a partial list on August 8, 2024. Additional information requested has not been sent to us. After being sent the incomplete list, we have found that the information provided was inaccurate. Hence, we are requesting under FOIA, that you provide us with the information requested.

Included with this letter is **Exhibit A** (CT State Statute Sec. 9-192a regarding certification of Registrars of Voters for CT) taken directly from the CT State Statutes and **Exhibit B** from the Office of Legislative Research authored by Kristin Sullivan regarding the legal requirements for the Form ED-632 the certification the canvassing required by CT State Statute was indeed completed.

If both the Registrars of Voters are not certified after two years and not recertified every year thereafter, they are not qualified to run elections according to CT State Statutes. This is a very serious situation.

We look forward to your prompt attention to our request.

Respectfully,

A handwritten signature in black ink, appearing to read "Linda Szyńkowicz", is written over a horizontal line.

(a)(1) The Secretary of the State shall, in consultation with the advisory committee created pursuant to subsection (b) of this section, establish a program and criteria for the certification of registrars of voters. All registrars taking such office on or before July 1, 2015, shall complete such program and satisfy such criteria for certification not later than July 1, 2017. (c) The Secretary of the State, in consultation with the advisory committee, shall adopt criteria for the training, examination and certification requirements of registrars pursuant to subsection (a) of this section. In advising the Secretary of the State on the adoption of such criteria, the committee (1) shall consider whether the prescribed training leading to certification may, in part, be satisfied through participation in the required two conferences a year called by the Secretary of the State, pursuant to section 9-6, for purposes of discussing the election laws, procedures or matters related

The training program developed under subdivision (2) of this subsection shall provide for training to be conducted by trained registrars or former registrars hired for such purpose by the Secretary of the State. The committee shall submit such training programs and training guide to the Secretary of the State, who shall approve or modify the programs and guide.

Research Report

Documenting Completion of the Canvass of Electors

By: Kristin Sullivan, Chief Analyst
August 31, 2020 | 2020-R-0228

Issue

Discuss the requirement under Connecticut law for municipalities to document their annual canvass of electors.

Summary

By law, registrars of voters must conduct an annual canvass of electors, between January 1 and May 1, to gather information about electors' residency and eligibility to remain on the voter registry list (CGS § 9-32 and Conn. Agencies Regs. §§ 9-32-1 to 9-32-9). (Registrars in municipalities holding May municipal elections are not required to conduct a canvass in odd-numbered years.) Registrars may conduct the canvass by door-to-door canvassing, mail or the U.S. Postal Service's National Change of Address system, telephone, or a combination of these methods.

State law requires registrars of voters to document the canvass with the secretary of the state. Specifically, no later than 30 days after each regular election, the registrars must file a form with the secretary indicating that the canvass was conducted before the election in accordance with the law's requirements. The secretary prescribes the form, which specifies the canvass methods and dates (see Statement of Completion of Canvass, Form ED-632).

Each registrar of voters must sign the form under penalty of false statement. False statement is a class A misdemeanor, punishable by up to one year in prison, a fine of up to \$2,000, or both (CGS § 53a-157b).

(For more information on how registrars of voters maintain the voter registry list, see OLR Report 2016-R-0079.)
